2. In pursuance of para 3 of Government Proceedings No 6862-8 Ml 77-07-6 of the 17th Instant, the Chairman, City Improvement Trust Board Mysore, has informed the Treasury Officer Mysore District in his No 612 dated 22nd/23rd January 1908, that the services of K Subba Rao temporary Clerk deputed to work at the Mysore District Treasury, will not be required by the Trust Board from the 22nd February 1908.

3. On receipt of the above the Treasury officer Mysore, in his docket No 613 dated 24th January 1908, States that Certain reductions in the Trust Board Establishment do not in any way encourage

the

the Treasury work so long as the Trust Board exists, that as the present Treasury Staff is already overworked with several additional works, the Transactions in this District being very heavy and of a varied nature unlike other districts and that therefore the services of a clerk is absolutely necessary. A copy of his docket is submitted herewith.

4. In concurring with the above views I beg that the Government may be pleased to allow the present incumbent to continue in office, as originally sanctioned.

I have the honor to be,

Sir,

Your most obedient Servant,

C. Muralidhara Rao

In inviting reference to the marginally noted* Communications from this office, has the honour to submit herewith Copy of Docket No. 612 dated 23rd January 1908 from the Chairman, City Improvement Trust Board Mysore, and to state that a temporary clerk on Rs 15/- per month was entertained as per Government Proceedings No. 5356-8-273-2 Mul- dated the 22nd

the 22nd December 1904 to cope with the increase of work entailed by the Transactions of the Mysore City Improvement Trust Board. Unlike other districts, the transactions in this district Treasury are heavy and of a varied nature. It is hardly possible to cope with the present work without entertaining additional hands for the Chargai and the City Improvement Trust Board work and maintain all the required accounts. So long as the Trust Board exists the Transactions with the Treasury will continue the same and for purposes of maintaining pass books, Cheque Registers etc. the services of a clerk are absolutely necessary.

It is therefore requested that

that he will kindly obtain the sanction of the Government for retaining the services of the Head now temporarily entertained for the City Improvement work.

As the Municipal work is not very satisfactorily done, reference is respectfully invited to this office No. 108 dated 5th August 1907, with a request that a further reference may kindly be made on the subject
